COMMITTEE: Research and Creative Activity Grants

MEETING DATE: October 10, 1998

PERSON PRESIDING: C. Rigsby

ACTIONS OF MEETING

Description of action:
The subcommittees met to review and discuss the ratings and rankings of proposals assigned to their subcommittee. Individuals that rated a proposal either much higher or lower than the other members had to opportunity to support or give rationale for their scores. After general discussion each group made a decision on which proposals should go forth for review by all members of the committee.

The subcommittees then met together to share their results. The proposals that fell within each subcommittee's rankings and selected proposals were included in the next round of review. The selected proposals were those that the subcommittees still had questions about after re-reading and discussion.

C. Rigsby reviewed the proposals that would be read by the whole committee.

Members were reminded that the evaluations from the Second Round of Review are due to Faculty Senate by November 4th at 5pm. The next meeting is Wednesday, November 11, 1998.

The meeting was adjourned.
