

Service-Learning Committee Meeting

Minutes of 10-23-2018

- Dr. Medina called the meeting to order
 - Review of packet on SharePoint
- Reviewed definition of SL
 - Documented ECU expansion of service learning to facilitate maximizing student success
 - Designating a course as a SL see http://www.ecu.edu/cs-studentaffairs/volunteer/faculty-course_designation.cfm
 - Reviewed Application components
 - Review how committee reviews class proposals
 - Review of procedure to vote on SL Committee
 - Craig Becker recommended adopting a new procedure of rotating the subcommittee between members so the subcommittee does not do all the work
 - MiSun suggested If multiple proposals being reviewed, the committee members do not have to review multiple proposals
 - Thus not review more than 1 proposal if possible
 - Dr. Medina will assign unique subcommittee members
 - Recommendations approved by the committee
 - SL Recognition process for faculty and students
 - Including SL Teacher award is being developed
 - Lively discussion about approval PSYC 4250 as SL Course
 - Vote for class
 - Becker suggested approve with note that Society ok students work with dogs
 - Harris need to include the SL Definition
 - Shearman recommend clarify how meets need of community
 - Clark recommended approval be made if Dr. Medina sees class made recommendations made by the committee
 - Committee voted and approved these motions and amendments
 - Dr. Medina reviewed charge of how our committee makes recommendations to Faculty Senate, of CLCE, reviews catalogs, promote SL, reviews Honors credit for SL

- Dr. Dennis McCunney reviewed all that is done and accomplished by the CLCE (Center for Leadership and Civic Engagement)
 - Dr. Medina noted that CLCE Webpage lists all SL Classes approved
- Goals for SLC
 - Increase knowledge about SL Courses to administration, advising, faculty and students, improve benefits for teaching and or participating in SL Courses
 - Suggested use Service-Learning hyphenated
