COMMITTEE: Student Scholarships, Fellowships, & Financial Aid

MEETING DATE: April 28, 1997

PERSON PRESIDING: Hoekstra

PERSON RECORDING: Bergstrom

ACTIONS OF MEETING:

1. Approved minutes of 24 March 1997

2. Resolution to the Faculty Senate

The resolution was presented on 22 April by Hoekstra and was approved without questions or comment by the Senate.

3. Discussion of committee's charge

A discussion was held about the committee's charge and about whether or not this mandate needed to be handled by a separate committee (as it is presently) or whether the primary responsibilities of awarding scholarships and hearing scholarship appeals could be handled by another committee, an ad hoc committee or a subcommittee. No decision was made. This business will be carried over into the fall.

4. Annual report

Draft of the annual report was approved with the addition of comments under section 8 that reflect our concerns about whether or not the committee needed to continue in its present form and comments that the support of the Financial Aid Office in the form of attendance at each meeting is essential for the committee to be able to function.
