Faculty Senate Teaching Grants Committee

Minutes: November 7, 1997

The meeting was called to order at 3:05 by the Chair, Sherry Ginn. She asked if there were comments about the minutes for the meeting on September 29th and Martin Schwarz noted that he should have been listed as present. The minutes were then approved.

Sherry Ginn distributed a summary of the statistics (mean, standard error of the mean, maximum score, minimum score, and median score) for the initial evaluation of the twenty-nine grant proposals received this year. She also returned to each committee member their original evaluation forms and opacan sheets in case anyone wanted to change their ratings after discussion of the proposals.

The floor was then opened for discussion of individual grants. The committee discussed all the proposals submitted for summer stipends only, 98-TS-1 through 98-TS-17. At one point it was suggested that the committee might want to add a question to the grant application form asking whether or not the applicant was required to teach in the summer.

The meeting adjourned at 5:00.

Respectfully submitted,

Heather Ries
