Faculty Senate Teaching Grants Committee

Minutes: November 16, 1998

The meeting was called to order at 3:00 by the Chair, Sherry Ginn. She distributed a summary of the statistics (mean, median, maximum score, and minimum score) for the final evaluation by committee members of the eighteen grant proposals received this year.

The committee ranked the proposals according to their mean scores. Prem Sehgal moved to recommend the first ten to the office of the Vice Chancellor for Academic Affairs for funding. After some discussion, the motion was amended to recommend the first six and the next four in the case of additional funds. The motion was seconded by Dennis Eadus and passed by the committee.

The committee agreed to meet sometime during the Spring Semester to discuss unfinished business such as web submission of the teaching grant application, scheduling an information session for potential applicants, and distance education.

The meeting adjourned at 3:45.

Respectfully submitted,
Heather Ries
Secretary
