COMMITTEE: Unit Code Screening

MEETING DATE: January 13, 1995

PERSON PRESIDING: Bill Grossnickle, Chair

MEETING ACTION
The minutes of October 28 and December 2/9 were approved.

The Committee reviewed the revised code of Anthropology. Bort asked if it was all right for him to have signed on the cover sheet that he sent the code to the Dean of Arts and Sciences for his review. The Committee saw no problem with this procedure. The Committee made a few editorial suggestions on the code. Kalmus moved that the Committee approve the code pending the changes and Marshall seconded. The motion passed.

Bort expressed special thanks to Sexauer who had advised the Department of Anthropology on the code.

Grossnickle told the Committee he had a memo from Caroline Ayers asking if the Committee had a problem with electing its officers at its first meeting. The Committee did not have a problem this year because its first meeting was scheduled early. The Committee decided to meet at 1:30 on Fridays next year, and Grossnickle will ask if this can be our regular meeting day and time.

The meeting adjourned at 1:25 p.m.
