EAST CAROLINA UNIVERSITY CHAPTER
AMERICAN ASSOCIATION OF UNIVERSITY PROFESSORS

Resolution on the Selection of the ECU Chancellor
Whereas, an unexpected vacancy has occurred in the post of ECU chancellor, and

Whereas, the brevity of Dr. Muse’s tenure in office and a number of other ad hoc changes leave the university in a continuing state of transition, and

Whereas, the faculty represent the continuity of the university, and

Whereas, the faculty seeks to maintain healthy and cooperative relationships with other colleges and universities, and with granting agencies, and

Be it therefore resolved that the following requests be communicated directly to President Molly Broad and to the ECU Board of Trustees:

1. The interim chancellor demonstrate a commitment to shared governance, to working with the faculty at all levels and to affirming the role of the Faculty Senate.

2. One-third of the voting members of the search committee for the next ECU chancellor be faculty members elected by the Faculty Senate.

3. Candidates for the position of chancellor meet with the full Faculty Senate before the search committee reaches its decisions.

4. In cooperation with the new administration, the Faculty Senate conduct a discussion on a new mission statement for the university.

Proposed Revisions to the *ECU Faculty Manual*, Appendix D.

Revise Appendix D, Section I. to read as follows: (addition is noted in **bold** print.)

"I. Tenure"

Academic tenure serves to insure academic freedom by guarding faculty members against negative consequences of expressing unpopular points of view. Academic tenure refers to the conditions and guarantees that apply to a faculty member's professional employment. Tenure protects a faculty member against involuntary suspension or discharge from employment or reduction in rank except upon specified grounds and in accordance with the procedures provided in Section VI.; or against termination of employment except as provided for in Section VII. During the term of such guarantees, the faculty member may be discharged or suspended from employment or diminished in rank only for reasons of incompetence, neglect of duty, misconduct of such a nature as to indicate that the individual is unfit to continue as a member of the faculty, demonstrable, bona fide institutional financial exigency or major curtailment or elimination of a teaching, research, or public service program."

In light of the discussion at the last Senate meeting, the phrase "demonstrable, bona fide institutional financial exigency or major curtailment or elimination of a teaching, research, or public service program" reflects the exact wording found in another section of Appendix D. under Section VII. Termination of Faculty Employment. Also included in this section is an explanation for the wording and process by which the employment decision is made.

Proposed Revision to the *ECU Faculty Manual*, Appendix L.

Revise Appendix L, Section C.2. to read as follows: (addition noted in **bold** print and deletion noted by strikethrough)

"2. The faculty of a college or school may democratically decide to organize into self-governing, autonomous units at the departmental, school, or college level in accordance with **guidelines** established by the Faculty Senate. A school's or college's proposal to organize into self-governing, autonomous units will be reviewed by the Faculty Governance Committee. If the Faculty Governance Committee finds the proposal conforms to the guidelines, the proposal will be forwarded to the Faculty Senate for their consideration. If the Faculty Senate acts favorably, the proposal will be forwarded to the Chancellor. With the Chancellor's approval, codes of operation for the individual units shall be democratically developed. Upon approval of the codes, the code of the school or college will become null-and-void. Said school or college may democratically develop a constitution as a governance document. However, this constitution may not conflict with the authorities, responsibilities, and characteristics of the constituent units. If faculty members of schools
or colleges do not choose to organize into self-governing, autonomous units, faculty in individual departments may
democratically develop rules for the internal organization and operation of their departments.”

Attachment 6.
RESOLUTION ON THE SELECTION OF THE ECU CHANCELLOR

Rationale:
1) Previous candidates for high-level administrative positions have come before faculty groups in an open forum;

2) Professional search companies have shown little evidence of being able to provide quality candidates;

3) Strong faculty participation in administrative searches would be consistent with past practices, including searches for chancellors, vice chancellors, deans, directors and departmental chairs.

Be it resolved that the Faculty Senate requests that:

1) no less than one-third of the voting members of the search committee for the next ECU Chancellor be faculty members both nominated and elected by the Faculty Senate;

2) each of the final three candidates, for the position of chancellor, present to the faculty, in open meetings before the search committee reaches its final decision, their views on higher education and how they intend to apply their philosophies to the running of ECU;

3) the faculty should have the privilege of expressing its opinion on each candidate to the search committee by means of a written questionnaire.
