NEW BUSINESS
Rally Chant Resolution

On July 17, 2019, The Trump/Pence 2020 campaign hosted a re-election rally in Mingos Coliseum, located on the campus of East Carolina University. The Greenville rally was marked by the emergence of a racist chant from the crowd, in reference to Congresswoman Ilhan Omar. This racist chant received widespread media coverage both nationally and internationally, which frequently equated the crowd inside the rally with East Carolina University as an institution.

Whereas, ECU's policy on Non Discrimination states that it is against the policies of East Carolina University to create a hostile environment for an individual or group because of the individual's age, color, creed, disability, gender, genetic information, national origin, political affiliation, race/ethnicity, religion, sexual orientation, or veteran's status (FM, Part XII.II); and

Whereas, this chant is a direct contradiction of the university's stated policy on Non Discrimination; and

Whereas, this rally occurred on ECU's campus; and

Whereas, the content of this chant has made some faculty, staff, and students of ECU feel unsafe and unwelcome.

Therefore Be It Resolved, that:

1. The ECU faculty formally decries/condemns this hate speech at the event.
2. The ECU faculty condemns all acts and language that are prejudicial against individuals and groups based upon age, color, creed, disability, gender, genetic information, national origin, political affiliation, race/ethnicity, religion, sexual orientation, gender expression, or veteran's status.
3. The ECU faculty reconfirms its commitment to diversity and inclusion.
