Candidates for 2020/2021 Faculty Officers

**Candidate for Chair of the Faculty**

Purificación Martínez, Department of Foreign Languages and Literatures

I am honored to stand as candidate for Chair of the Faculty. The honor of accepting the nomination is accompanied by a humble recognition of the enormity of the task ahead. In the year to come ECU will face unprecedented challenges. However, these challenges can only be overcome if all members of the ECU community collaborate and rely on common values. At ECU, they are easy to identify: a vocation to serve, and a conviction that shared governance is the only responsible way to run the University. My service demonstrates my belief in those values: I have served as Senator, Chair of Faculty Governance, Chair of General Education and Instructional Effectiveness, and as member of numerous other Faculty Senate committees. This year, I have also had the privilege of being a faculty officer. With my fellow officers, I have focused my efforts on two areas: to increase the participation of faculty on budgetary decisions and to devise better ways to support and protect fixed term faculty. Now more than ever, the advances made this year must be firmly held in place. Since March the faculty officers have worked hand-in-hand with the administration in palliative measures to tackle the Covid-19 crisis. By necessity, these actions had to be quick. Nevertheless, the reality that ECU will be facing in the months ahead require a more deliberate and strategic approach. The administration and the Faculty Senate must work together to ensure that nobody, students, faculty or staff, is left behind. But we also need to make sure that the task is accomplished with integrity.

**Candidate for Vice Chair of the Faculty**

Jean-Luc Scemama, Department of Biology

I am honored to have been nominated for the position of Vice Chair of the Faculty. In this position, I will bring my experience of years of service as Chair of the Undergraduate Curriculum Committee, and my participation on the General Education and Instructional Effectiveness and Admission and Retention Policies Committees. On these committees, I had the pleasure to work in collaboration with wonderful colleagues who care about the missions of the University. This past year has been a challenging one for all of us and we have many more challenges to face in the future; we are in the midst of a pandemic, the University is at a turning point as we are searching for new leadership and developing initiatives to address enrollment and student success. More than ever we are in need of strong faculty governance and we need faculty officers committed to listening and representing the opinions of their colleagues. If elected, I will work tirelessly to represent the faculty when addressing the challenges and opportunities facing East Carolina University. Thanks for considering me for this position.

## Candidate for Secretary of the Faculty

### Marlena Rose, Health Sciences Library

I would like to thank you for your consideration to support me in the role of Secretary of the Faculty. I am a fixed-term faculty member in my seventh year of appointment. My motivation to serve ECU Faculty in this capacity comes from my university service to date. Over this past year, I have had the pleasure to serve as chair of the Faculty Welfare Committee and as a member of the Fixed-Term Faculty Salary Compression Study Working Group. Previously, I served the university as a Faculty Senator and as a member of the Agenda Committee, the Academic Integrity Board, and the Fixed-Term Faculty Librarian Employment Model Working Group. I have served my unit in numerous committees in leadership and membership roles. I have additional leadership experience as former chair of the Medical Library Association's Technical Services Caucus. The experiences that I have had in service to the university, in my unit, and my profession would lend well to the work that I would be doing in the Faculty Senate. In the role of Secretary of the Faculty, I would positively contribute to ECU and its faculty by ensuring accurate minutes of the meetings of the Faculty Senate, ensuring distribution of those minutes to our faculty, ensuring the list of Senators is accurate and informing the Chair of vacancies, and supporting my fellow officers and members of the faculty through additional university committee service and participating in opportunities for faculty engagement.
