Chair Martínez also thanked the Alternates who were serving as Tellers for this meeting: Lisa Barricella (Academic Library Services), Charity Cayton (Education), and Lynnsay Marsan (Biology)

III. Report of Committees

A. Nominating Committee for Faculty Officers

Professor McKinnon (History) thanked her fellow members of the Nominating Committee for their work. Those members were Professors Stacy Altman, Margaret Bauer, Beng Fuh, and Hong-Bing Su. She provided a slate of candidates for the 2021/2022 Faculty Officers. After calls for nominations from the floor and elections, the following faculty were elected to serve as Faculty Officers during the 2021/2022 academic year.

**Purificación Martínez (Foreign Languages and Literatures),
Chair of the Faculty**

Jean-Luc Scemama (Biology), Vice Chair of the Faculty

Marlena Rose (Health Sciences Library), Secretary of the Faculty

B. Committee on Committees

Prior to the start of the Committee report, Chair Martínez explained that when the number of nominations for a committee match the number of open seats, a motion to close nominations and elect the nominees by acclamation could be introduced. Traditionally, that procedure has helped speed the elections along. In cases where there are more nominees than open seats on a committee, Senators will have as many votes as there are open slots.

Professor Doty (Engineering and Technology) thanked the Committee on Committee members for their hard work in compiling the list of nominees, then presented a slate of candidates for University Academic, Administrative, Appellate and Board of Trustees Committees. Following a call for nominations from the floor to fill vacancies, the following faculty members with names noted in **bold print** were elected to serve. Information relating to standing University committees is available [online](#). Faculty elected to serve will be notified **via email** over the summer of the Fall committee organizational meeting dates.

Organizational dates for the Graduate Council and administrative committees will be forthcoming directly from the various administrative offices. Anyone with questions is encouraged to contact the Faculty Senate office at faculty senate@ecu.edu, or call 328-6537.

2021-2022 UNIVERSITY COMMITTEES

ACADEMIC COMMITTEES

(3 year terms)

Note: the election for the new Standing Academic Committee on Diversity, Equity, and Inclusion took place first because some nominees were currently serving terms on other committees and their election impacted their eligibility for those committees and required additional nominations to be made from the floor to fill their vacated seats.

V. New Business

Professor McKinnon (History) presented a resolution from the University Budget Committee for consideration. The resolution had been emailed to Senators before the meeting. She read the resolution below.

Resolution on the status of the Division of Research, Economic Development and Engagement (REDE) at ECU as follows:

Whereas, REDE formed the Research Infrastructure Work Group (RIWG) at the request of Academic Council to “think institutionally to arrive at the best model to improve service to faculty, be sustainable through upcoming budget cuts and provide a capacity for growth”; and

Whereas, the RIWG had no faculty representation and conducted a review of infrastructure in 2020 which was outlined in a report; and

Whereas during the writing of the report, faculty review or comments were not solicited; and

Whereas, after requesting a copy, the Faculty Senate University Committee had access to the report; and

Whereas, the review did not address faculty satisfaction survey results and comments and did not include recommendations from the Faculty Needs subgroup, but did include recommendations from the other three subgroups; and

Whereas, the faculty satisfaction survey comments of the report indicate that significant inefficiencies and errors are made regularly thus impacting faculty success in external funding; and

Whereas, pre-award services are consistently understaffed giving less priority to faculty needs; and

Whereas, faculty do not have access to a transparent and detailed budget outlining where F&A funds are spent; and

Whereas, REDE once created a Faculty Research Advisory Committee and has since let it dissolve.

Therefore Be It Resolved, that the Faculty Senate recommends the Vice Chancellor of Research and the Provost:

- 1) Conduct a faculty survey to address the report and recommendations before moving forward with recommendations from the RIWG report;
- 2) Reestablish the Faculty Research Advisory Committee with a smaller, yet diverse membership chosen by Faculty that meets regularly with REDE to discuss small and large-scale programmatic decisions;
- 3) Provide an annual detailed budget on how F&A funding is allocated and spent to the FS Budget committee;
- 4) Provide an annual report on efficiencies and errors to the FS Research/Creative Activities Committee;
- 5) Prioritize additional pre-award positions within the university and hubs to address existing known inefficiencies.

There was no discussion and the resolution was approved as submitted. **RESOLUTION #21-47**

The meeting adjourned at 5:29 pm.

Respectfully submitted,

Rachel Baker
