Since the announcement of the Fall 2021 Return of Pirate Nation guidelines, members of the Fall 2021 Planning Team have been coordinating to address questions from faculty regarding classroom instruction, and they continue to develop additional resources (e.g., the attached Supplemental Syllabus Resources). The Faculty Senate invites all faculty (not just members of Faculty Senate) to an open forum on Tuesday, August 17, 2021 from 2:10-4:00 PM to hear more details about the Fall 2021 Return of Pirate Nation classroom instruction guidelines and to pose questions to panelists who served on the Fall 2021 Planning Team. The panelists are:

Ms. Angela Anderson, Associate Vice Chancellor, Chief Academic Success Officer and University Registrar

Dr. Wendy Creasey, Director, Digital Learning and Emerging Technology Initiatives

Dr. Allison Danell, Dean, Thomas Harriot College of Arts and Sciences

Dr. Grant Hayes, Interim Provost and Senior Vice Chancellor for Academic Affairs

Mr. Bill Koch, Associate Vice Chancellor for Campus Safety and Auxiliary Services

Dr. Ying Zhou, Associate Provost of Institutional Planning, Assessment, and Research

The recording from the forum will be shared with faculty and posted online. The WebEx meeting invitation is at the bottom of this email (below the signature) and also linked here. Note: the WebEx meeting opens at 2:00 but the forum will not officially begin until 2:10. Participating faculty members will mute their audio and video upon joining the meeting and will request recognition to ask a question or make a comment by typing “R” in the chat window. Upon being recognized, the faculty member with the question will unmute to speak. The chat should only be used to request recognition to speak, unless permission to do other things (share links, ask a question through chat instead, etc.) is granted during the forum.

Thank you,
Rachel
