Campus Community:

The UNC System Office has issued updated COVID-19 Special Faculty and Staff Work and Leave provisions effective July 1, 2020 until revised or rescinded. The provisions remain largely the same with one key exception:

- Following the guidelines established by OSHR, the amount of COVID-19 Paid Administrative Leave employees may use will be reduced to 1/3 (down from 2/3) of an employee’s pay once FFCRA benefits are exhausted. Employees may use any accrued personal leave to make up the difference. This 1/3 pay is provided for absences of employees who cannot telework, for ongoing elder care needs, and due to ongoing child care needs once Expanded Family & Medical Leave is exhausted.

Please note that all employees who have not been directed by their supervisor to work on-site should continue to telework until directed to return to work on-site by their supervisor.

Additional information on how to operationalize these changes in Kronos is forthcoming. If you have questions, please direct them to employeerelations@ecu.edu. We will keep you posted on future developments as soon as it is practicable.
