MEMORANDUM

TO: ECU COMMUNITY
FROM: Virginia D. Hardy, PhD
Vice Chancellor for Student Affairs
DATE: November 1, 2021
SUBJECT: COVID BOOSTER VACCINATIONS

Following the recent approval of COVID19 vaccine boosters, ECU Student Health Services will be offering a booster clinic for J&J and Moderna vaccines on the following dates:

- Thursday, Nov. 4, 2021, in MCSC Ballroom C, 10 a.m. – 3 p.m.
- Friday, Nov. 19, 2021, in MCSC Room 125, 10 a.m. – 3 p.m.
- Thursday, Dec. 16, 2021, in MCSC Ballroom C, 10 a.m. – 3 p.m.

Please note that these clinics are open to ECU students, faculty, and staff members only. Individuals should bring their insurance card and vaccine card to the clinic. No appointment is necessary.

Currently, booster shots are recommended for individuals who were vaccinated with J&J vaccine two or more months ago. Individuals who received the Moderna vaccine are eligible for a booster shot six months or more after their initial series if they are:

- 65 years and older
- Age 18+ who live in long-term care settings
- Age 18+ who have underlying medical conditions
- Age 18+ who work or live in high-risk settings

Additional information regarding criteria for booster shots can be found on the CDC website, and Student Health Services will continue to monitor and update their procedures as needed based on current guidelines.

Currently, Student Health Services does not have Pfizer vaccines. Pfizer and Moderna vaccines are available at ECU Pharmacy (https://ecuphysicians.ecu.edu/covid-19-vaccine/). Individuals may also receive Pfizer, J&J, or Moderna vaccines at local pharmacies in the community; find availability using the NC DHHS vaccine locator website.
