Passport
You must obtain a passport from your government under the regulations for obtaining permission to travel abroad. The passport must be kept valid at least six months into the future at any time. Please take into consideration that you might need a few weeks to obtain or renew your passport.

Visa
Please visit the usembassy.state.gov for information on when, how, and what to provide when applying for F-1 or J-1 visa at a U.S. consulate or embassy. An I-20 for F-1 students and a DS-2019 for J-1 students serves as your “application” for a U.S. student visa. Please take a few minutes to review your I-20 or DS-2019, and if there is an error, please contact our office.

SEVIS
The Student and Exchange Visitor Information System (SEVIS) is the web-based system that the Department of Homeland Security uses to maintain information on J, F, and M students in the United States and the Student and Exchange Visitor Program (SEVP)-certified schools that enroll them.

Denied Visa
A visa denial is not permanent and may be reconsidered if you show further convincing evidence. It is extremely important that you do not enter the United States with a visitor’s visa. It cannot be changed to a student visa once you are here.
Walking through the streets of Greenville, you will see the city has its share of art galleries, museums, and festivals that are close to the campus of East Carolina University. Greenville calls to art and culture lovers with its worldly offering of musical concerts, theatrical and dance productions, travel films, and lectures.

Greenville boasts a population of more than 90,000, making it North Carolina’s 10th-largest city. It is positioned an hour and a half outside of Raleigh, the state capital, and two hours from the coast.

North Carolina is unique in that it is home to snow-covered mountains, vibrant cities, and tranquil beaches. Whether you’re skiing in the Blue Ridge Mountains, dining at world-famous restaurants, or soaking in the sun at the Outer Banks, North Carolina offers it all. Our state is centrally located on the East Coast of the United States, midway between New York City and Miami. Greenville is only 440 kilometers from Washington, D.C. As the cultural, educational, and economic hub of the region, it’s expansive; it rewards the curious imagination and the entrepreneurial mind.
ECU international students have the option to live in residences on or off campus. Residential life in Greenville on or off ECU’s campus has a lot to offer. First-year students and transfer students with fewer than 24 credit hours must live on campus.

On-Campus Living: On-campus housing offers the convenience of easy access to classes, libraries, study and recreation areas, and special events. New students must notify the assistant director for international student advisement if they wish for on-campus housing. Living on campus provides ideal enculturation into East Carolina University. For more information, please visit www.ecu.edu/campusliving.

Off-Campus Living: A variety of off-campus housing options can be found in the Greenville area, but you may have to stay in a hotel for a day or two before finding something suitable. Please plan to arrive early to allow time to seek accommodation before the beginning of the semester. This process may take several days of active searching. Reasons for living off campus include being able to prepare meals, being subject to fewer restrictions, and the hope of saving money. Usually a security deposit of one month’s rent is required plus the first month’s rent at the time the contract is signed. Leases are normally one year in length. More information and a list of apartments can be found at www.ecu.edu/offcampus.

Dining Services: ECU Dining Services offers numerous meal plans that include a certain amount of designated meals in one of the restaurants as well as “Pirate Bucks” or extra funds to be used for snacks. Meal plans are mandatory for first-year students living on campus and are very flexible and easy to use. The dining options on campus include two all-you-can-eat dining halls, Starbucks, Subway, Chick-fil-A, Panda Express, and many more. If you would ever like to grab a bite to eat off campus, there are numerous restaurants in Greenville to choose from. For more information on dining services, please visit www.ecu.edu/dining online.
An academic advisor is a faculty or staff member in your college/major who assists you in choosing and registering for classes each semester. You should contact the assistant director of international student advisement for questions regarding contact information for your advisor. Please e-mail mallettw@ecu.edu.
