Barry Goldwater Scholarship and Excellence in Education Program

• Purpose
  o The Barry Goldwater Scholarship and Excellence in Education Program was established by Congress in 1986 to honor Senator Barry Goldwater, who served his country for 56 years as a soldier and statesman, including 30 years of service in the U.S. Senate. The purpose of the Foundation is to provide a continuing source of highly qualified scientists, mathematicians, and engineers by awarding scholarships to college students who intend to pursue research careers in these fields.

• Eligibility Requirements
  o Be a full-time matriculated sophomore or junior pursuing a degree at an accredited institution of higher education during the 2018–2019 academic year, and intend to pursue research careers in mathematics, the natural sciences, or engineering.
  o Have a college grade-point average of at least "B" (or the equivalent) and be in the upper fourth of his or her class
  o Be a United States citizen, a permanent resident, or, in the case of students nominated from American Samoa or the Commonwealth of the Mariana Islands, a United States national.

• Application Process
