Check Policy

All checks should be made payable to ECU and must contain the following information: Student Name, Social Security Number, permanent address and permanent telephone number. Parent’s Name and Social Security Number: parent’s home address, telephone number and driver’s license number or social security number. Checks should be made only in the amount of tuition, fees, room and board. Post dated checks will not be accepted.

Refund Policy

It is to the financial advantage of all students withdrawing, dropping to part-time status or dropping to a lower block of credit hours to do so as early as the semester begins as possible. Refunds for tuition and required fees (including room and board charges which are determined by contractual agreement) will be made as follows for students who withdraw or drop to a lower block of credit hours:

Through the first week of classes (five class days) starting with the first official day of classes, a student will receive tuition and required fees less a 10% refund and a $25.00 non-refundable registration/processing fee for students withdrawing.

The second week of classes (5-10 consecutive class days) tuition and required fees will be refunded at 75% minus the registration/processing fee for students withdrawing.

The third week of classes (11-15 consecutive class days) tuition and required fees will be refunded at 50% minus the registration/processing fee for students withdrawing.

The fourth week of classes (16-20 consecutive class days) tuition and required fees will be refunded at 25% minus the registration/processing fee for students withdrawing.

Beginning with the fifth week of classes (21+ consecutive class days) refunds will not be considered. If a student wishes to appeal, the process must be initiated in writing to the Office of the University Comptroller.

All refunds will be subject to the above noted time limitations and will be based on the difference between the amount paid and the charge for the block of hours for which the student is officially registered.

POLICY EXCEPTION: There will be no refunds available on private music lessons and/or remedial math after the first week of classes (five class days starting with the first official day of classes for the university).

A separate and extended refund policy exists for first-time federal Title IV financial aid recipients. Refer to financial aid materials or contact the Student Financial Aid Office.

To officially withdraw from the university, a student must give written notice to the Office of the Registrar.

Any refunds that a student becomes entitled to shall first be applied to outstanding financial obligations owed to the University.

Residence Classification Notice to Students

Your current residence classification, for purposes of applicable tuition rates, is required to be changed if, since original establishment of your current classification, your state of legal residence has changed.

(2) If you are currently classified as a non-resident for tuition purposes, it is your obligation to petition for a change in classification to that of resident if your claim that you are now and, for at least the 12-month period immediately preceding the date of such petition, have been a legal resident of North Carolina. It is determined that in fact you have been a legal resident for the required 12-month period, the effective date of change in applicable tuition rates shall be the beginning of the academic term next following the date of application for tuition change, provided that a change in billing rate may be made retroactive to the beginning of an academic term during which application was made if the 12-month period is found to have been satisfied the beginning of that term.

(3) If you are currently classified as a resident for tuition purposes, it is your obligation to petition for a change in classification to that of non-resident if you have reasonable basis for believing that circumstances require such a change in classification. Failure to do so may result in appropriate disciplinary action including, but not necessarily limited to, probation and dismissal. If it is determined that in fact you have become a non-resident, the effective date of change in applicable tuition rates shall be the next semester or term following the date of change in facts which required the change in classification, unless you are eligible to continue paying the resident rate for the 12-month grace period.
