Parent’s Check – Student’s name and Student ECU ID, parent’s home address, telephone number and driver’s license number or social security number. Checks should be made only in the amount of tuition, fees, room and board. Post-dated checks will not be accepted.

Refund Policy
It is to the financial advantage of all students withdrawing, dropping to part-time status, or stopping to a lower block of credit hours to do so as early in the semester as possible. Refunds for tuition and required fees (excluding room and board charges which are determined by contractual agreement) will be made as follows:
- August 20-August 28, 2007 (first five consecutive class days starting with the first official day of classes for the university) tuition and required fees will be refunded at 100% minus a $25 non-refundable processing fee.
- August 29-September 7, 2007 (6th-10 consecutive class days) tuition and required fees will be refunded at 75% minus a $25 non-refundable processing fee.
- September 8-September 12, 2007 (11-15 consecutive class days) tuition and required fees will be refunded at 50% minus a $25 non-refundable processing fee.
- September 13-September 19, 2007 (16-20 consecutive class days) tuition and required fees will be refunded at 25% minus a $25 non-refundable processing fee.
- September 20-September 27, 2007 (21st consecutive class days) refunds will not be considered.

To officially withdraw from the university, a student must give written notice to the Center for Academic Services. Any refunds that a student receives will be subject to the above noted time limitations and will be based on the difference between the amount paid and the charge for the block of hours for which the student is officially registered.

Policy Exception: There will be no refunds available on special course fees after the first week of classes (five class days starting with the first official day of classes for the university).

A separate and extended refund policy exists for first time federal Title IV financial aid recipients. Refer to financial aid or contact the Student Financial Aid Office for additional information.

Meals
The University operates food service facilities in four locations throughout campus. Check policies and operating hours vary from location to location. Please check with each location for the most current information.

Textbooks
Students are required to purchase their textbooks. The Student Stores, located in the Wright Student Center, is operated by the University for the convenience of students with its diversified profiles in giving to the University’s Library funds. All necessary supplies and books, both new and used, may be purchased in the Student Stores. The cost of books may vary greatly depending on supply.

Registration
Admitted students who are not registered must secure a registration form from their respective school or, if not in the undergraduate Students' handbook, in the Admissions Office. The student must be officially admitted by the Admissions Office, secure a registration form from their advisor, register, and then pay fees. Graduate Students not enrolled at the time of registration must be cleared by the Graduate Office, register, and then pay fees. Reinstated students must be officially admitted by the Registrar’s Office, secure a registration form from their advisor, register, and then pay fees. Students are not officially enrolled until fees are paid.

Drop-Add (Change)
1. A schedule change period will continue to be scheduled at the beginning of each semester:
   - A student may drop-add with the approval of the advisor. The student must secure the signature of his or her advisor on the schedule change form and take it to the appropriate terminal officer for approval.
   - The student may drop-add up to 50% of a credit load for any student.

2. Students adding courses resulting in a higher block of hours will be charged at the rate of the block for which they are officially registered upon the completion of their registration. All fees paid will be charged on the registration form.

3. Refunds for non-attendance will be available for the first day of classes only if 50% enrollment was received one week prior to the start of the semester. This policy should be available in the student's handbook. Students should be aware that all fees must be paid in order to be considered for the refund. Only the official drop-add period will be considered.

4. All financial refunds are processed through Higher One.

Residence Classification Notice to Students
Your current residence classification, for purposes of applicable tuition rates, is required to be changed if, since original establishment of your current classification, your state of legal residence has changed.

(1) If you currently are classified as a non-resident for tuition purposes, it is your right to petition for a change in classification to that of resident if you claim that you are and, for at least the 12-month period immediately preceding the date of such petition, have been a legal resident for tuition purposes of North Carolina. If it is determined that your residence as a legal resident has changed, the required 12-month period, the effective date of change in applicable tuition rates shall be the beginning of the academic term following the date of application for tuition change, provided, that a change in billing rate may be made retroactive to the beginning of the residence term during which application was made if the 12-month period is found to have been satisfied at the beginning of that term.

(2) If you are currently classified as a resident for tuition purposes, it is your obligation to petition for a change in classification to that of a non-resident if you have reasonable basis for believing that change in facts occurs which will change classification. Failure to fulfill this obligation may result in appropriate disciplinary action including, but not necessarily limited to, cancellation of enrollment. It is recommended that in the event you become a non-resident, the required 12-month period, the effective date of change in applicable tuition rates shall be the next semester or term following the date of change in facts which required the change in classification, unless you are eligible to continue paying the resident rates for the 12-month grace period.

Copies of the applicable North Carolina Law and institutional regulations which govern such classification determination are available in Joyner Library for inspection. The Residence Manual may also be viewed online at http://www.ecu.edu/academics/residency.shtml. Students are responsible for being familiar with the contents of these two sources of regulations.

25% Tuition Surcharge
Please be advised that undergraduates may be subject to a 25% tuition surcharge for hours in excess of 140 credit hours. ECU summer credit hours earned are exempt. See your department chair or advisor for details of this law as it may apply to you.
