■ August 24-August 30, 2010 (first five consecutive class days starting with the first official day of classes for the university) tuition and required fees will be refunded at 100%.

■ August 31-September 7, 2010 (6-10 consecutive class days) tuition and required fees will be refunded at 75% minus a $25 non-refundable processing fee;

■ September 8-September 14, 2010 (11-15 consecutive class days) tuition and required fees will be refunded at 50% minus a $25 non-refundable processing fee;

■ September 15-September 21, 2010 (16-20 consecutive class days) tuition and required fees will be refunded at 25% minus a $25 non-refundable processing fee;

■ Beginning September 22, 2010 (21st consecutive class day) refunds will not be considered. If a student wishes to appeal, the process must be initiated in writing to the Tuition Refund Appeals Committee.

All refunds will be subject to the above noted time limitations and will be based on the difference between the amount paid and the charge for the block of hours for which the student is officially registered.

POLICY EXCEPTION: There will be no refunds available on special course fees after the first week of classes (five class days starting with the first official day of classes for the university).

Drops and withdrawals may impact a student’s financial aid awards – resulting in reductions to existing aid awards. Please refer to Student Financial Aid’s website (http://www.ecu.edu/financial/) for more information.

Any refunds that a student becomes entitled to shall first be applied to outstanding financial obligations owed to the University.

In order to make financial refunds available to our students more quickly and efficiently, East Carolina University utilizes the refund-management services provided by Higher One.

Residence Classification

Notice to Students

Your current residence classification, for purposes of applicable tuition rates, is required to be changed if, since original establishment of your current classification, your state of legal residence has changed.

(1) If you currently are classified as a non-resident for tuition purposes, it is your right to petition for a change in classification to that of resident if you claim that you are now and, for at least the 12-month period immediately preceding the date of such petition, have been a legal resident for tuition purposes of North Carolina. If it is determined that in fact you have been a legal resident for the required 12-month period, the effective date of change in applicable tuition rates shall be the beginning of the academic term next following the date of application for tuition change, provided, that a change in billing rate may be made retroactive to the beginning of an academic term during which application was made if the 12-month period is found to have been satisfied the beginning of that term.

(2) If you currently are classified as a resident for tuition purposes, it is your obligation to petition for a change in classification to that of a non-resident if you have reasonable basis for believing that change in facts requires such a change in classification. Failure to fulfill this obligation may result in appropriate disciplinary action including, but not necessarily limited to, cancellation of enrollment. If it is determined that in fact you have become a non-resident, the effective date of change in applicable tuition rates shall be the next semester or term following the date of change in facts which required the change in classification, unless you are eligible to continue paying the resident rate for the 12-month grace period.

Copies of the applicable North Carolina Law and institutional regulations which govern such classification determinations are available in Joyner Library for inspection. The Residence Manual may also be viewed online at http://www.ecu.edu/cs-acad/registrar/residency.cfm. Students are responsible for being familiar with the contents of these two sources of regulations.

East Carolina University is a publicly supported institution. Tuition payments and other required student fees meet only a part of the total cost of the education of students enrolled. On the average, for each full-time student enrolled in an institution of The University of North Carolina, the State of North Carolina appropriated $12,668.00 per year in public funds to support the educational programs offered.

Students and parents can also find detailed information concerning the total cost of college at www.cfnc.org.

When tuition rates for 2010-11 were originally published, the General Assembly had established rates that have now been increased by subsequent actions of the General Assembly and the University of North Carolina. Due to economic conditions and resulting budget reductions, these actions were necessary to sustain and protect academic quality. Per Section 9.20 of the Session Law 2010-31 and Section 3.4 of Senate Bill 1202, this bill reflects the rates as revised.
