East Carolina University is a publicly supported institution. Tuition payments and other required student fees meet only a part of the total cost of the education of students enrolled. On average, for each full-time student enrolled in an institution of The University of North Carolina, the State of North Carolina appropriated $11,292 per year in public funds to support the educational programs offered.

The University of North Carolina Board of Governors adopted a Plan to make tuition and fee rates for undergraduate North Carolinians predictable and affordable. Pursuant to the Plan, the maximum rate of annual increase for undergraduate residents for campus-initiated tuition is 6.5% and the increase in general fees (Athletics, Health Services, Student Activities, and Educational and Technology Fees ) is 6.5%. Exceptions to the Plan were allowed to help address academic quality, to partially remedy the cumulative negative impact of several years of state budget reductions, and to help the University protect the quality of a UNC education. Specific information, including maximum allowable increases in tuition and fees per academic year by UNC campuses is available at www.northcarolina.edu/finance/tuition/UG_Resident_projected_tuition.pdf.

Tuition and fees rates included in this bill are based on rates approved by the Board of Governors in February 2012. G.S. 116-11(7) requires that the Board of Governors set tuition and required fees at the institutions, not inconsistent with actions of the General Assembly.

Students and parents can also find detailed information concerning the total cost of college at www.cfcn.org.
