Residence Classification Notice to Students

Your current residence classification, for purposes of applicable tuition rates, is required to be changed if, since original establishment of your current classification, your state of legal residence has changed.

(1) If you currently are classified as a non-resident for tuition purposes, it is your right to petition for a change in classification to that of resident if you claim that you are now and, for at least the 12-month period immediately preceding the date of such petition, have been a legal resident for tuition purposes of North Carolina. If it is determined that in fact you have been a legal resident for the required 12-month period, the effective date of change in applicable tuition rates shall be the beginning of the academic term next following the date of application for tuition change, provided, that a change in billing rate may be made retroactive to the beginning of an academic term during which application was made if the 12-month period is found to have been satisfied in the beginning of that term.

(2) If you currently are classified as a resident for tuition purposes, it is your obligation to petition for a change in classification to that of a non-resident if you have reasonable basis for believing that change in facts requires such a change in classification. Failure to fulfill this obligation may result in appropriate disciplinary action including, but not necessarily limited to, cancellation of enrollment. If it is determined that in fact you have become a non-resident, the effective date of change in applicable tuition rates shall be the next semester or term following the date of change in facts which required the change in classification, unless you are eligible to continue paying the resident rate for the 12-month grace period.

Copies of the applicable North Carolina Law and institutional regulations which govern such classification determinations are available in Joyner Library for inspection. The Residence Manual may also be viewed online at http://www.ecu.edu/cs-acad/registrar/residency.cfm. Students are responsible for being familiar with the contents of these two sources of regulations.
