Updates from Division of Research Economic Development and Engagement (REDE)

Julie Cole is the new Director of Grants & Contracts. She oversees the office of Grants & Contracts and is working with our Hub and Hubs across campus to strengthen post-award processes.

Tony Rowe is the new Director of Export Controls.

The Sponsored Programs Internal Budget Spreadsheet has been updated and includes allocation of credit of awards & expenditures. Jessica Miller in the Hub will explain how the changes impact proposals and new funding.

Five questions with…

Dr. Kathrin Rothermich from CSDI is spotlighted in the Five questions with… on the Office of Research website for October. Learn more about Dr. Rothermich’s research and what she likes about working at ECU!

Highlights and News

- Congratulations to Katelyn Kotlarek, doctoral student in CSDI! She has been awarded an NIH/NIDCR F31 Ruth L. Kirschstein National Research Service Award (NRSA) to complete her dissertation work, “Investigation of Anatomical and Physiological Changes Following the Use of a Pedicled Buccal Fat Pad Graft During Primary Palatoplasty.” Her primary advisor is Dr. Jamie Perry, associate professor in CSDI.

- Congratulations to Dr. Jamie Perry for her new grant award! She has received funding from The Oral and Maxillofacial Surgery Foundation for her project, “Pedicled Buccal Fat Pad Graft used during Primary Palatoplasty.”

Funding & Research Opportunities
