Directions and Parking - We're Easy to Find

We are conveniently located in the heart of Greenville and the ECU Health Sciences campus. You may park in the parking spaces to the right of the Ross Hall front entrance. Upon entering the building, please sign-in with the receptionist at the front desk. This is also where you will receive a parking pass.

After signing in, take the elevator located on the left past the front desk to the second floor. Once you have reached the second floor, take a left when exiting the elevator. The Clinical Research Center (Room number 2150) will be the first door on your left.
