Now that you’re away from home, you may be feeling a new sense of freedom and gain of independence, which comes with responsibility.

When making decisions about alcohol, drugs, sex, or other activities of this nature it is important to be safe and make informed decisions.

Always be sure to have consent prior to any sexual relations and know that you can withdraw your consent at any time, this is your body and your right. Recognize that someone cannot consent to sexual relations with you when he or she is incapacitated.

Use safety measures like ECU Safe Ride (252-ecu-ride) or the pirate express. Travel in groups and be sure if you show up together, you leave together! Stay close to the blue light system, carry pepper spray, and call ECUPD at 252-328-6787 if any questions/concerns.
